

Fuel for your Family

By Waihi Cooks

Fuel for your Family is a wonderfully photographed, 200 page full colour publication which cleverly blends rural and urban to produce a modern cookbook that reflects wholesome country cooking.

Fuel for your Family contains over 170 tried and true family recipe favourites that reflect our children, our lives and how we eat.

Fuel for your Family has been produced to raise funds for the Waihi School Centenary Complex and is an ideal keepsake or special gift which we hope will become a family favourite for years to come.
